

NASHOBA YOUTH WRESTLING

NASHOBA YOUTH WRESTLING

In the past several years, Nashoba has had great success on the high school level not only with their dual meet team, but also the individual members in tournaments. As a team, Nashoba has been D2 state champions, Central Mass sectional champions, and Mid-Wach league champions. Individually, Nashoba has had multiple All State champions, All State finalists, divisional state champions, state finalists, state place winners, sectional champions, and a host of sectional placer winners. In addition, Nashoba has had multiple New England finalists and New England place finishers. Last year, Nashoba also boasted their first New England champion and finished 3rd in Massachusetts and 7th in New England. Now we are excited to announce a youth wrestling program for grades 5-8 for the Nashoba community.
